Most Reverend Christie A. Macaluso, D.D.  
Auxiliary Bishop of Hartford  
Chairman 2007 Archbishop's Annual Appeal

Dear Bishop Macaluso:

We were once again delighted to have been chosen as an award recipient and we enthusiastically accept. Although we have not yet identified a specific project for the use of the award when it arrives, most likely it will go towards birthmother services in some respect, and/or to promote and publicize adoption as a positive, life-affirming alternative.

While we are not a Catholic organization we feel very strongly that our services are much in keeping with Catholic principles and teachings, to discourage the taking of innocent life, and to offer every one of God's children the hope and chance for the future.

Thank you so much for once again helping our organization, soon to begin our 27<sup>th</sup> year of service provision to families and children.

Sincerely,

Iris Arenson-Fuller, Exec. Dir.
